MET SOA & ID is unwavering in its dedication to promoting gender equality and creating a safe, inclusive, and supportive environment for all its students. To this effect we have regular Gender Audits of the students, faculty and non-teaching staff, this commitment is reflected in various aspects of the institution's operations, particularly in the areas of Safety and Security, Counselling, and the provision of a dedicated Common Room for female students.

GENDER EQUALITY ADVOCACY

The institute enthusiastically endorses co-education, fostering a collaborative spirit among both male and female students in various academic, co-curricular, and extracurricular activities. Importantly, the institute ensures that there is no discrimination when it comes to appointing individuals to various committees. This underscores their commitment to providing equal opportunities to all students, irrespective of their gender.

In pursuit of gender equality, MET SOA & ID actively engages in awareness programs, addressing issues such as anti-ragging and sexual harassment. These programs serve as important platforms for sensitizing both students and faculty to the multifaceted dimensions of gender discrimination, with the ultimate goal of empowering students to contribute to a gender-equitable society.

Additionally, the institution complies with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act of 2013 by establishing an Internal Complaints Committee (ICC). The presence of clear notices and accessible complaint boxes near the administration office ensures that female students can report safety or harassment concerns without the need for written complaints. The committee takes immediate action on verbal complaints, reinforcing the institution's commitment to the safety and security of its students.

SAFETY AND SECURITY

MET SOA & ID places the highest priority on the safety and security of its students, staff, and infrastructure. Several measures have been implemented to uphold this commitment within the institute's premises. A dedicated campus security team is responsible for safeguarding the well-being of all individuals on campus, ensuring their safety and security. To achieve this, the institute has strategically installed CCTV cameras in key locations across the campus, maintaining constant video surveillance in studios, classrooms, corridors, and staff rooms. The entry and exit gates are closely monitored around the clock, and security personnel conduct continuous patrols to prevent any potential mishaps.

COUNSELLING SERVICES

The institute recognizes the importance of holistic student development, including

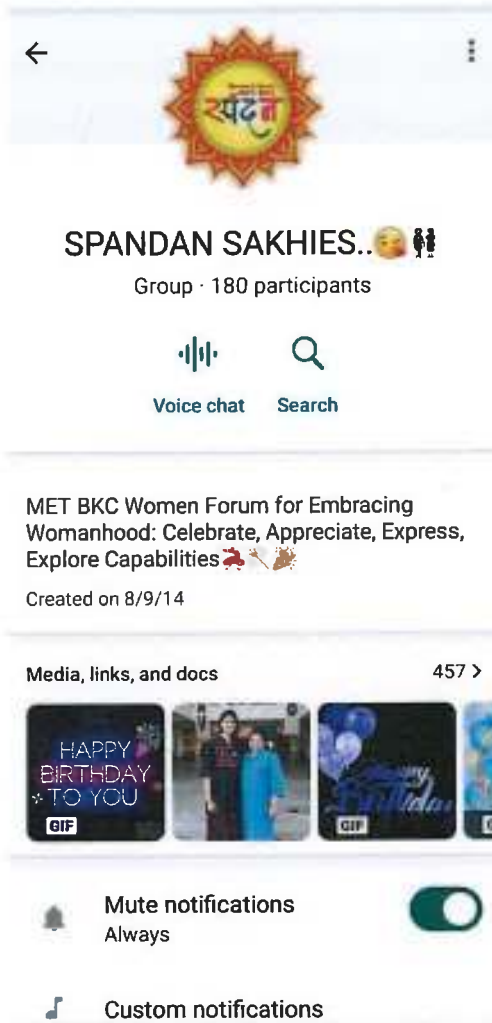

their mental and emotional well-being. Faculty members actively engage in counselling students, providing guidance and support to help them overcome challenges and difficulties they may encounter. In addition to faculty support, MET SOA & ID has appointed a trained and experienced counsellor. This professional resource is available to both students and staff, providing a platform for open and confidential discussions about personal issues. Counselling sessions are conducted with a focus on student well-being, welfare, and personal development. These sessions often involve parents, facilitating a comprehensive support system that aids students in understanding and addressing their problems, thereby enhancing their personal growth and self-esteem.

Importantly, regular counselling sessions are provided to female students, both in group settings and on an individual basis. To further enhance support, each faculty member serves as a mentor or mentee to students, strengthening the bonds between educators and their pupils.

DEDICATED COMMON ROOM

MET SOA & ID also respects the privacy and comfort of its female students by providing a separate common room designed exclusively for them. This common room, located on the ground floor of the institute, is equipped with basic facilities and is meticulously maintained to ensure hygiene and provide a comfortable space for female students.

In summary, MET SOA & ID's commitment to gender equality and creating a safe, nurturing, and inclusive environment is evident through its co-educational approach, awareness programs, robust safety and security measures, counselling services, and dedicated facilities for female students. These efforts collectively reflect the institute's steadfast dedication to promoting gender sensitivity and equality.

Sanitary pad vending machine

In our commitment to gender equity, we have a sanitary napkin vending machine and a sanitary napkin incinerator on campus. These facilities ensure that essential menstrual hygiene products are readily available, promoting a supportive and inclusive environment for all. This initiative reflects our dedication to fostering equality and addressing the diverse needs of our community.

Respected Sir,

I ma writing to you on behalf of Mumbai Educational Trusts School of Architecture and Interior Design based in Govardhan Nashik.

We have a requirement of an Estimate/ Quotation for erecting a Solar Energy generating unit in our College premises, and would require your calculations on the Generational capacity, and also the offset it would create in our Electrical Energy Consumption.

To, this end we request you to undertake a brief survey of our Premises and guide with the same.

According to our Telephonic Conversation, i am attaching a copy of our Building plan and Electric Bill as per your requirements.

Kindly inform us if there are any charges for your initial visit and later survey.

P.S. Attaching Autocad Drawing of Building and Electric Bill for your reference, as requested by you. Roof top area can be calculated from Floor plan.

looking forward to hearing from you soon, and your initial visit tomorrow.

Regards,
Ar. Manish Patil

Amount (in words) : INR Eighty One Thousand One Hundred Twenty Only

- 1) The composting system was calculated based on the discussion with your officials.
- 2) The composting in this Waste-Care composting system is a natural and partially mechanised process and therefore it is necessary to operate as per the procedure specified by us.
- 3) Clean, aerated and shaded space is required for installing the Composting system to protect it from rain.
- 4) For the daily processing of the waste only segregated organic waste will be needed. (Hard shells, Plastic or other non-bio degradable waste is not acceptable).
- 5) For daily functioning of the composting system, we will train your team, who will operate the process on daily basis
- 6) Warranty – 12 months from the date of supply against any manufacturing defect
- 7) If process become an anaerobic due to human errors or climatic conditions, then odour can occur which can be neutralise in 15-20 mins by adding composting manure.
- 8) Delivery at MET's School of Architecture and Interior Design, Govardhan, Gangapur, Nashik
- 9) Payment terms: 100% as an advance along with P.O.
- 10) Order once booked cannot be cancelled in any manner.
- 11) Delivery of the equipment: 10 to 15 days after receipt of your P.O.
- 12) This quotation with its terms and conditions is valid for a period of 1 month only.
- 13) Please pay the amount by cheque or demand draft in the name of 'EarthyOnes Lifestyle Pvt Ltd' payable at Nashik. Or you can also deposit the amount in our bank account.

Dear Mr. Manish Patil,

Thank you for reaching out to us. It was nice talking to you.

There would be no charges for the initial visit.
Based on the initial visit and after understanding your requirement, we will inform you regarding the charges for the later survey.

We will plan the initial visit either by the end of this week or early next week. Will keep you posted.

Looking forward to working with you.

Dear Mr. Manish Patil,

Thank you for reaching out to us. It was nice talking to you.

There would be no charges for the initial visit.

Based on the initial visit and after understanding your requirement, we will inform you regarding the charges for the later survey.

We will plan the initial visit either by the end of this week or early next week. Will keep you posted.

Looking forward to working with you.

The institute will be committed to maintaining high standards, regularly undertaking quality audits on environmental and energy practices. These future audits will help ensure the institution's adherence to sustainability measures, fostering a responsible and eco-friendly campus environment. By consistently assessing our practices, we will strive to optimize energy efficiency and minimize our environmental footprint, contributing to a greener and more sustainable future. To this end we have initiated the following measures – application to CII (Chamber of Indian Industries), IGBC (Indian Green Building Council), applied for starting Students Chapter of IGBC in our institution, applied for membership for IGBC and will be conducting Green Campus and Energy Audits.

Respected Ma'am,

This is Ar. Manish Patil writing to you from MET (Mumbai Educational Trust) School of Architecture and Interior Design. Govardhan, Nashik. Pin Code. 422222. I am working as an Asst. Professor in the B. Des Department of above-mentioned Institution:

Our Institute is keen to pursue Environmental conscious Initiatives, intend to educate and involve students in Environmental protective activities, increase awareness, and outreach. Also, Increase awareness about the benefits of various ratings, IGBC in particular.

To achieve this purpose, we would like your association with IGBC,

Starting the process of a IGBC student's chapter.

Conduction of Seminars/ Workshops to inform and initiate the process.

Conduction of Environmental Audits involving the students.

Start process for IGBC Certification.

We believe it will be a positive step towards Environmental Initiatives, awareness and be a value addition to our Institution.

We would appreciate it if you guide us in this endeavour and start the process.

Thanking you,

Sincerely,

—

Dear Ar. Manish Patil,

Warm Greetings !

We hope you; your family and team are all safe !

This is with reference to your mail to my colleague Murthy, herewith I am pleased to share the membership invite mail along with the membership form for your kind reference.

Invitation to become a Member of the Indian Green Building Council (IGBC)

We are glad to mention that the Indian Green Building Council (IGBC) is making rapid strides in advancing the Green Building concept in the country through the involvement of stakeholders of the building sector. The movement has evoked tremendous response amongst the various stakeholders.

We have today more than 11,053 registered green buildings amounting to more than 10.27 billion sq.ft. of footprint. This includes commercial buildings, IT parks, hospitals, airport, hotels, residential, factory buildings, SEZs etc.

About Indian Green Building Council (IGBC)

IGBC, which is part of CII-Godrej GBC, is actively involved in promoting the Green Building concept in India. The council is represented by all stakeholders of construction industry comprising of: Corporates, Government & Nodal agencies, Architects, Product manufacturers, Institutions, etc.

The council operates on a consensus based approach and member-driven. **As on date there are 29 chapters all across the country and intends to launch many more.**

The vision of the council is to serve as single point solution provider and be a key engine to facilitate all Green Building activities in India.

IGBC services

IGBC is facilitating the green building movement through the following services:

- IGBC Rating systems for New Buildings (New Construction & Core and Shell), Homes, Factories, Townships, SEZ's, Landscape & Existing Buildings
- IGBC Accredited Professional exam
- Facilitating & Handling of Green Building Projects
- Green building workshops & training programs
- Green building missions
- Green building congress- India's flagship event on green buildings

PRINCIPAL
MET's School of Architecture
and Interior Design,
At Govardhan, Tal. & Dist.
Nashik - 422 222.

IGBC Membership

IGBC offers a unique opportunity to join the green building movement through membership. The membership is open to all stake holders involved in construction activities. Membership provides certain unique reach and access to resources, thereby providing you a competitive edge. By becoming a member of IGBC you are in a community of professionals who would charter the green building path for India.

Benefits offered to Members

IGBC offers the following benefits to its members:

- Access to information
- Platform for networking to pursue business opportunities
- Opportunity to play an active role in the advocacy of green buildings
- Special discounts for IGBC programs and publications
- Exclusive downloads from the IGBC website

Who can become members?

Membership is open to the following organizations:

- Corporate
- Institutions
- Government bodies
- Developers/Builders/Promoters
- Nodal agencies
- Small organizations (Architects, Interior Designers, Service Consultants)
- Material & equipment manufacturers

PRINCIPAL
MET's School of Architecture
and Interior Design,
At Govardhan, Tal. & Dist.
Nashik - 422 222.

Membership Categories & Fee

Category	Fee (Rs)
Founding members	5,00,000 (one time fee)
Manufacturing / Product Suppliers	20,000/Year
Architects / Consultancy / Service Organisation (More than 10 employees)	10,000/Year
Architects / Consultancy / Service Organisation (Less than or equal to 10 employees)	5,000/Year
Developers / Builders / Promoters	10,000/year
Institutions & Nonprofit organizations	2,500/Year

***Excluding Goods & Service Tax (GST) @ 18%**

❖ Membership fee is reckoned for the current calendar year

❖ Members enrolling during various months of the year, will pay the fee on pro-rata basis

❖ Membership Certificate is valid only for the current calendar year

As we want your organization to be one of the leading players in the Green Building Movement, we would be delighted to have you as a Member.

You can avail the following options to become as a member:

1. **Registration through online** - <https://igbc.in/igbc/redirectHtml.htm?redVal=showMembershipsingn>
2. **Offline:** through the attached form and bank details. You may kindly share the filled scan copy of the form and the transaction details of the payment of fees.

Please feel free to contact us for any further clarification and support.

About CII

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.

About Indian Green Building Council (IGBC)

The Indian Green Building Council (IGBC), part of the Confederation of Indian Industry (CII) was formed in the year 2001. The vision of the council is, "To enable a sustainable built environment for all and facilitate India to be one of the global leaders in the sustainable built environment by 2025".

IGBC is strong with a membership base of more than 2,000 members which is progressively increasing over the years. Members comprise of all stakeholders of the construction industry viz. Architects, Interior Designers, Landscape Consultants, MEP Consultants, Builders, Developers, Product and Equipment Manufacturers, Corporates, Institutions and Government agencies.

With a modest beginning of 20,000 sq. ft. green built-up area in the country in the year 2003, today* more than 8,500 Green Buildings projects coming up with a footprint of over 8.30 Billion sq. ft. are registered with the Indian Green Building Council (IGBC), out of which 3,000 Green Building projects are certified and fully functional in India. This growth has been possible with the participation of all stakeholders in the green building movement.

To seed the ideas of Green Building Concepts in the minds of young people, IGBC has started student chapters in various Architectural & Engineering Colleges.

The council is committee-based, member-driven and consensus-focused. All the stakeholders of construction industry comprising of architects, developers, product manufacturers, corporate, Government, academia and nodal agencies participate in the council activities through local chapters. The council also closely works with several State Governments, Central Government, World Green Building Council, bilateral multi-lateral agencies in promoting green building concepts in the country.

IGBC Rating Systems

Indian Green Building Council Greening India since 2001

Join us as a member

Champion
the Green Building Movement!
IGBC MEMBERSHIP

www.igbc.in

IGBC Services

IGBC is facilitating the green building movement through the following services:

- ◆ Rating programmes
- ◆ Green building workshops & training programmes
- ◆ Research on Green Buildings
- ◆ IGBC Accredited Professional examination
- ◆ Green Building Congress - India's flagship event on green buildings
- ◆ Green building missions

IGBC Membership

IGBC now offers you a unique opportunity to join the green building movement through membership. The membership is open to all stake holders involved in construction activities.

Membership provides you certain unique reach and access to resources, thereby providing you a competitive edge.

By becoming a member of IGBC you are in a community of professionals who would charter the green building path for India.

Benefits offered to Members

IGBC offers the following benefits to its members:

- ◆ Access to information
- ◆ Platform for networking
- ◆ Opportunity to play an active role in the advocacy of green buildings
- ◆ Participation in local chapter activities
- ◆ Discounts for IGBC programmes and events
- ◆ Discount in project registrations and certification fee

Special Benefits offered to Founding Members

- ◆ One time subscription
- ◆ Preference to present about their products/ services at various Chapter meetings across the country
- ◆ Logos of Founding Members will be displayed in all the activities of IGBC
- ◆ Offer one delegate free in all the events organised by IGBC
- ◆ Special Discount in Project Certification fee (All the sister concern companies of IGBC Founding Member can avail the special discount benefit on project certification fee).

Who can become members ?

Membership is open to the following organisations:

- ◆ Corporate
- ◆ Builders & Developers
- ◆ Firms (Architects, Interior Designers, Service Consultants)
- ◆ Material & equipment manufacturers
- ◆ Institutions
- ◆ Government bodies
- ◆ Nodal agencies

Membership Categories & Fee

Founding Membership

Founding Member

Rs. 5,00,000
(One time fee)

Annual Membership

Category	Fee* (Rs.)
Manufacturers / Product Suppliers	20,000
Architects/Consultancy/Service Organisation (More than 10 Professionals)	10,000
Architects/Consultancy/Service Organisation (Less than 10 Professionals)	5,000
Developers / Builders / Promoters	10,000
Institutions & Non-profit organisations	2,500

* Excluding GST

- ◆ Membership shall be approved by the IGBC
- ◆ IGBC has the right to discontinue membership of any organisation at any time, without prior information
- ◆ Membership fee is reckoned for the current calendar year
- ◆ Members enrolling during various months of the year, will pay the fee on a pro-rata basis
- ◆ Membership Certificate is valid only for the current calendar year
- ◆ Membership fee is not refundable

Dear Sir,

Thank you for the prompt response.

With respect to your mail, Our College has an annual MET FEST from 20th to 28th of January 2024, both the students and faculty are completely occupied on these dates.

To make our Student Chapter Inauguration aligned with Harit Prem Bharat Mahotsav the best dates we can suggest is 30th January 2024, and if not possible on 2 February 2024.

If these dates are not suitable we can plan further.

Thanking You,

Good morning maam, just a reminder, we have not received receipt of CII membership fees as yet.

Secondly, the seminar or workshop for start of students chapter has to be done as soon as possible, we are starting new semester from 26th december 23, if it is done in the first week of the new year, it will add to our NAAC process, of which the scrutiny deadline is before 3rd week of next month. Please instruct Nasik chapter of IGBC to take this process seriously, otherwise it will be a unfruitful endeavor for us.

We would also like to be associated with IGBC as we also plan to start an Environmental Cell in our College. Your prompt response will help us do the same as soon as possible.

Social education and awareness are expanded through the organization of various lectures and activities. MET School of Architecture and Interior Design (MET SOA & ID) has proactively engaged in a variety of social initiatives, including cleanliness drives, initiatives to reduce plastic usage, competitive events, and a wide range of curricular and co-curricular activities.

In the humanities, the curriculum places a strong emphasis on subjects like anthropology, sociology, linguistics, philosophy, history, and political science. It aims to establish a connection between these disciplines and architecture by exploring their relevance to human society, civilization, and culture. This has been achieved through exposure to various cultural practices and beliefs, study of tribal cultures across India, festivals, etc.

The universal themes addressed within the humanities encompass Arts and Leisure, Basic Needs, Values and Beliefs, Communication and Education, and Technology. The program underscores the importance of Social Awareness through Values and Morals throughout its duration.

Design development, in the context of time, space, and people, is a key focus, encouraging students to conduct research on socially pertinent subjects aligned with their own sensitivities. Inculcating such sensitivity is embedded in the academic pedagogy as well, heightening the understanding of socio-cultural diversity. Regular field visits and study tours strengthen the understanding and appreciation of regional diversity. Our initiatives through workshops and guest sessions have emphasised the need to bring diverse expertise, representing regional uniqueness in skills, to share their knowledge and craft with the students. Such initiatives are key to providing a wide range of exposure. Our faculty is conscious and sensitive towards socioeconomic diversity and strives towards the harmony among them.

To further this objective, lectures have been organized on topics related to social awareness, such as Women's empowerment, and featuring accomplished individuals in sports and other fields. Events that promote social harmony, such as costume and dance programs during festivals like Dussehra, Diwali, and Navratri, are also part of the curriculum. This fosters an environment for mutual respect towards various cultures and their practices. Advancing this vision, we have also established the "Environment and Diversity Cell." One of the aims of the cell is to cater to the diversity among the members of the institution, along with recognising and sensitising them regarding the diversity of communities around us.

Eminent lawyers have been invited to conduct lectures aimed at educating students about values, obligations, rights, duties, and responsibilities as responsible citizens, also regular lectures have been conducted on Constitution values and Democracy. Lectures on the various nuances of democracy have also been conducted for students. These sessions have explored the length and breadth of our constitutional rights, duties, and responsibilities. This emphasizes our commitment to shape conscious and aware citizens of tomorrow. At MET SOA & ID, our commitment lies in adapting our educational philosophy to the evolving needs of society and the passage of time. We aim to provide education that best serves and benefits our community.

Dear Sir/Ma'am,

As we all are aware that in this situation of the pandemic and lockdown, many people, specially teenagers and youngsters are going through various levels of stresses. Tomorrow, 2nd October, 2020, being a holiday, we've organised an interactive session with Mr. Nitin Paranjape, who's already involved with our students since the day of inception.

Since he is an experienced social worker, academician and counselor, he has a friendly connect with students which helps them share their deepest thoughts with him. Hence this session is aimed at understanding and resolving psychological/personal/other issues faced by the students and in turn, making them better at academic performance too. The first session includes second and third year B.Des. students, rest of the classes shall be included session wise in the coming period.

Kindly take note of the same.

Thanks and regards,
