Dear Sir,

I am directed to state that the Council of Architecture has prescribed requirements as per Council of Architecture Minimum Standards of Architectural Education, 2017, prescribed in terms of Section 21 of the Architects Act, 1972.

All the institutions imparting 5-year B.Arch. degree course in the country are required to maintain the academic and physical infrastructure facilities and requirements as per Council of Architecture Minimum Standards of Architectural Education, 2017. These standards are available at the website of the Council and a copy is enclosed for ready reference.

These Standards, among others, prescribe the minimum qualification and experience for teaching posts at degree level architectural institutions. Further, all Faculty of Architecture should be recruited/selected/promoted at institutions by a Selection Committee having one Nominee of the Council; who shall act as full-fledged member. The inspections of the architectural institutions for grant of approval to impart B.Arch. degree course for the academic session 2019-2020 shall also be conducted based on the said standards.

In view of the above, I request you to kindly direct the concerned authorities to ensure that faculty of Architecture be recruited/selected/promoted at institutions affiliated to your university in conformity with the said Minimum Standards and also to ensure that the Standards prescribed by the Council are adhered to for the conduct of B.Arch. course.

A line in confirmation shall be highly appreciated.

Thanking you,

Yours faithfully,
